TRAINING AREAS

The Research and Training Center of International Education carries out a 8-10-months program for foreigners in the following fields:

- Engineering;
- Economics;
- Psychology;
- Medicine;
- Humanities;
- Biology;
- Computing;
- Language program.

Associate Professor, First Vice-Rector on International Affairs, candidate of pedagogical science

Studying at the Research and Training Center of International Education is in Russian or Ukrainian language at the request of the students.

After successful graduation foreign students are issued a certificate of the state standard, which gives them the right to be admitted to higher educational institutions of Ukraine in the definite directions without education exams only for the interview.

The magisterial staff of the Centre have many years of experience as teachers and teacher trainers both in Ukraine and abroad. They combine the best traditional methods with more recent approaches to help learners acquire way.

ACCOMMODATION

The foreign students are accommodated in the hostel near the main building of the University. Residence is not free, it costs \$50-100 per month. Usually, two students share a room with modern conveniences.

MEALS

There is a big cafe at our University where you can have high quality and inexpensive meals of traditional Ukrainian home cooking. The cafe is opened from Monday to Saturday.

Breakfast \$4-10
Dinner \$5-15
Supper \$10-20

INQUIRY INFORMATION

Kyiv is a student centre in Ukraine, it is ecologically clean city with wonderful parks, alleys and the Dnieper River. For comfortable life of the youth we have all necessary facilities:

- a well-developed network of cheap city transport (underground, trolley-bus, bus, tram — the fare is \$0,1);
- taxi (municipal and private);
- one can get to any city or town in Ukraine or Russia from the railway station;
- the consumer goods basket is not expensive (you can have a full set of food products for \$ 200 a month.)

ENROLLMENT

A foreigner, who is going to be enrolled in the University, should have:

- invitation from the University;
- the original of the Secondary School Certificate or notary attested copy in Russian, Ukrainian or English, with marks;
- academic certificate (in case of transferring from another educational institution);
- medical certificate which proves the absence of medical contraindications to study in Ukraine;
- certificate of HIV absence;
- medical insurance of the Ukraine;
- notary attested copy of birth certificate (national passport);
- 4 photos (4x6 cm size); and 4 photos (3x4 cm size);

TUITION FEE

A preparatory course of education at the University costs 2532 dollars USA. There are not more than 8 or 10 students in a training group.

International students can rent apartments. Rent depends upon the part of the city, the quality of housing, a city telephone available, furniture, a refrigerator, a TV set, and makes up \$200-300 a month. There are many museums, theatres, student clubs, night clubs.

THE PRICE OF THE TICKET IS:

- to the cinema — \$5-10;
- to the theatre — \$10-20;
- to a night club — \$20-30.

The students of the European University can travel round Ukraine. The price of the excursion trip depends on the route, duration and accommodation and ranges from \$50 to 100.

Kyiv has religious worship places. The rites can be held in mosques, churches and kostiols. Students celebrate their religion holidays, invite guests from other cities and visit their friends.
